Seniors Share Their Journey of Remembrance

After their unforgettable senior trip, 12th-grade students from Colegio Isaac Rabin reunited for “Honrando la Memoria,” an event held at school to reflect on their powerful journey through Amsterdam, Poland, and Israel.

More than a presentation, this event connected personal experience with collective memory, showing how the journey shaped students, who now carry the responsibility of remembrance.

Kindergarten's Unit of Inquiry

The kindergarten class has been learning about the importance of caring for our planet and all living creatures. To make this lesson more hands-on, the class added a new feature to their classroom: a fish tank! The students were fascinated by the fish and quickly began learning how to care for them.

12th Grade Students Participate in Special Workshop at the Museum of Tolerance

On August 25 and 26, a group of dedicated 12th-grade students from Colegio Isaac Rabin participated in an impactful two-day training workshop at the Museum of Tolerance, aimed at preparing future guides for the museum's upcoming special exhibition on Anne Frank.

In addition to the academic experience, students also had the chance to collaborate and connect with peers from schools across Panama, including both public and private institutions. This interaction created a meaningful space for dialogue and reinforced shared values of tolerance, remembrance, and human dignity.

Family Fair

Our school hosted an annual Family Fair on September 1st, and this year's event was extra special as we celebrated our 25th anniversary. The fair is designed to bring together students, parents, and other members of the school community in a joyful and engaging environment.

■ The annual Samuel Bern Science Fair: A Celebration of Student Innovation

The annual Samuel Bern Science Fair, led by Professors Eva María Rodríguez and Carlos Acosta, was a vibrant display of student creativity, research, and environmental awareness. Students from various grades showcased projects on sustainability, technology, and global challenges, reflecting a strong commitment to science and social responsibility.

Students Shine at National Debate Competitions

On August 25 and 26, several of our talented delegates participated in SAPMUN, a high-level Model United Nations conference that gathers young leaders from across the country. Competing in the UNICEF committees and the UN General Assembly, our students showcased their commitment to global issues, diplomacy, and articulate debate. The club is proud to announce that Adriana Obispo received an Honorable Mention for her outstanding performance and persuasive arguments.

Continuing their impressive streak, the Debate Club took part in the DPT Debate organized by the Albert Einstein Institute on August 27 and 28. Their thorough preparation, teamwork, and passion for constructive dialogue were evident in every round. The club celebrates multiple award winners from this event.

Forum David Robles

We proudly hosted the 17th Edition of Foro David Robles on September 3 and 4, an academic debate forum organized by our Debate Club in collaboration with the educational community. Held at Sinagoga Kol Shearith Israel, the event brought more than 100 students from schools across Panama for two full days of debate, dialogue, and leadership.

Shanah Tovah!

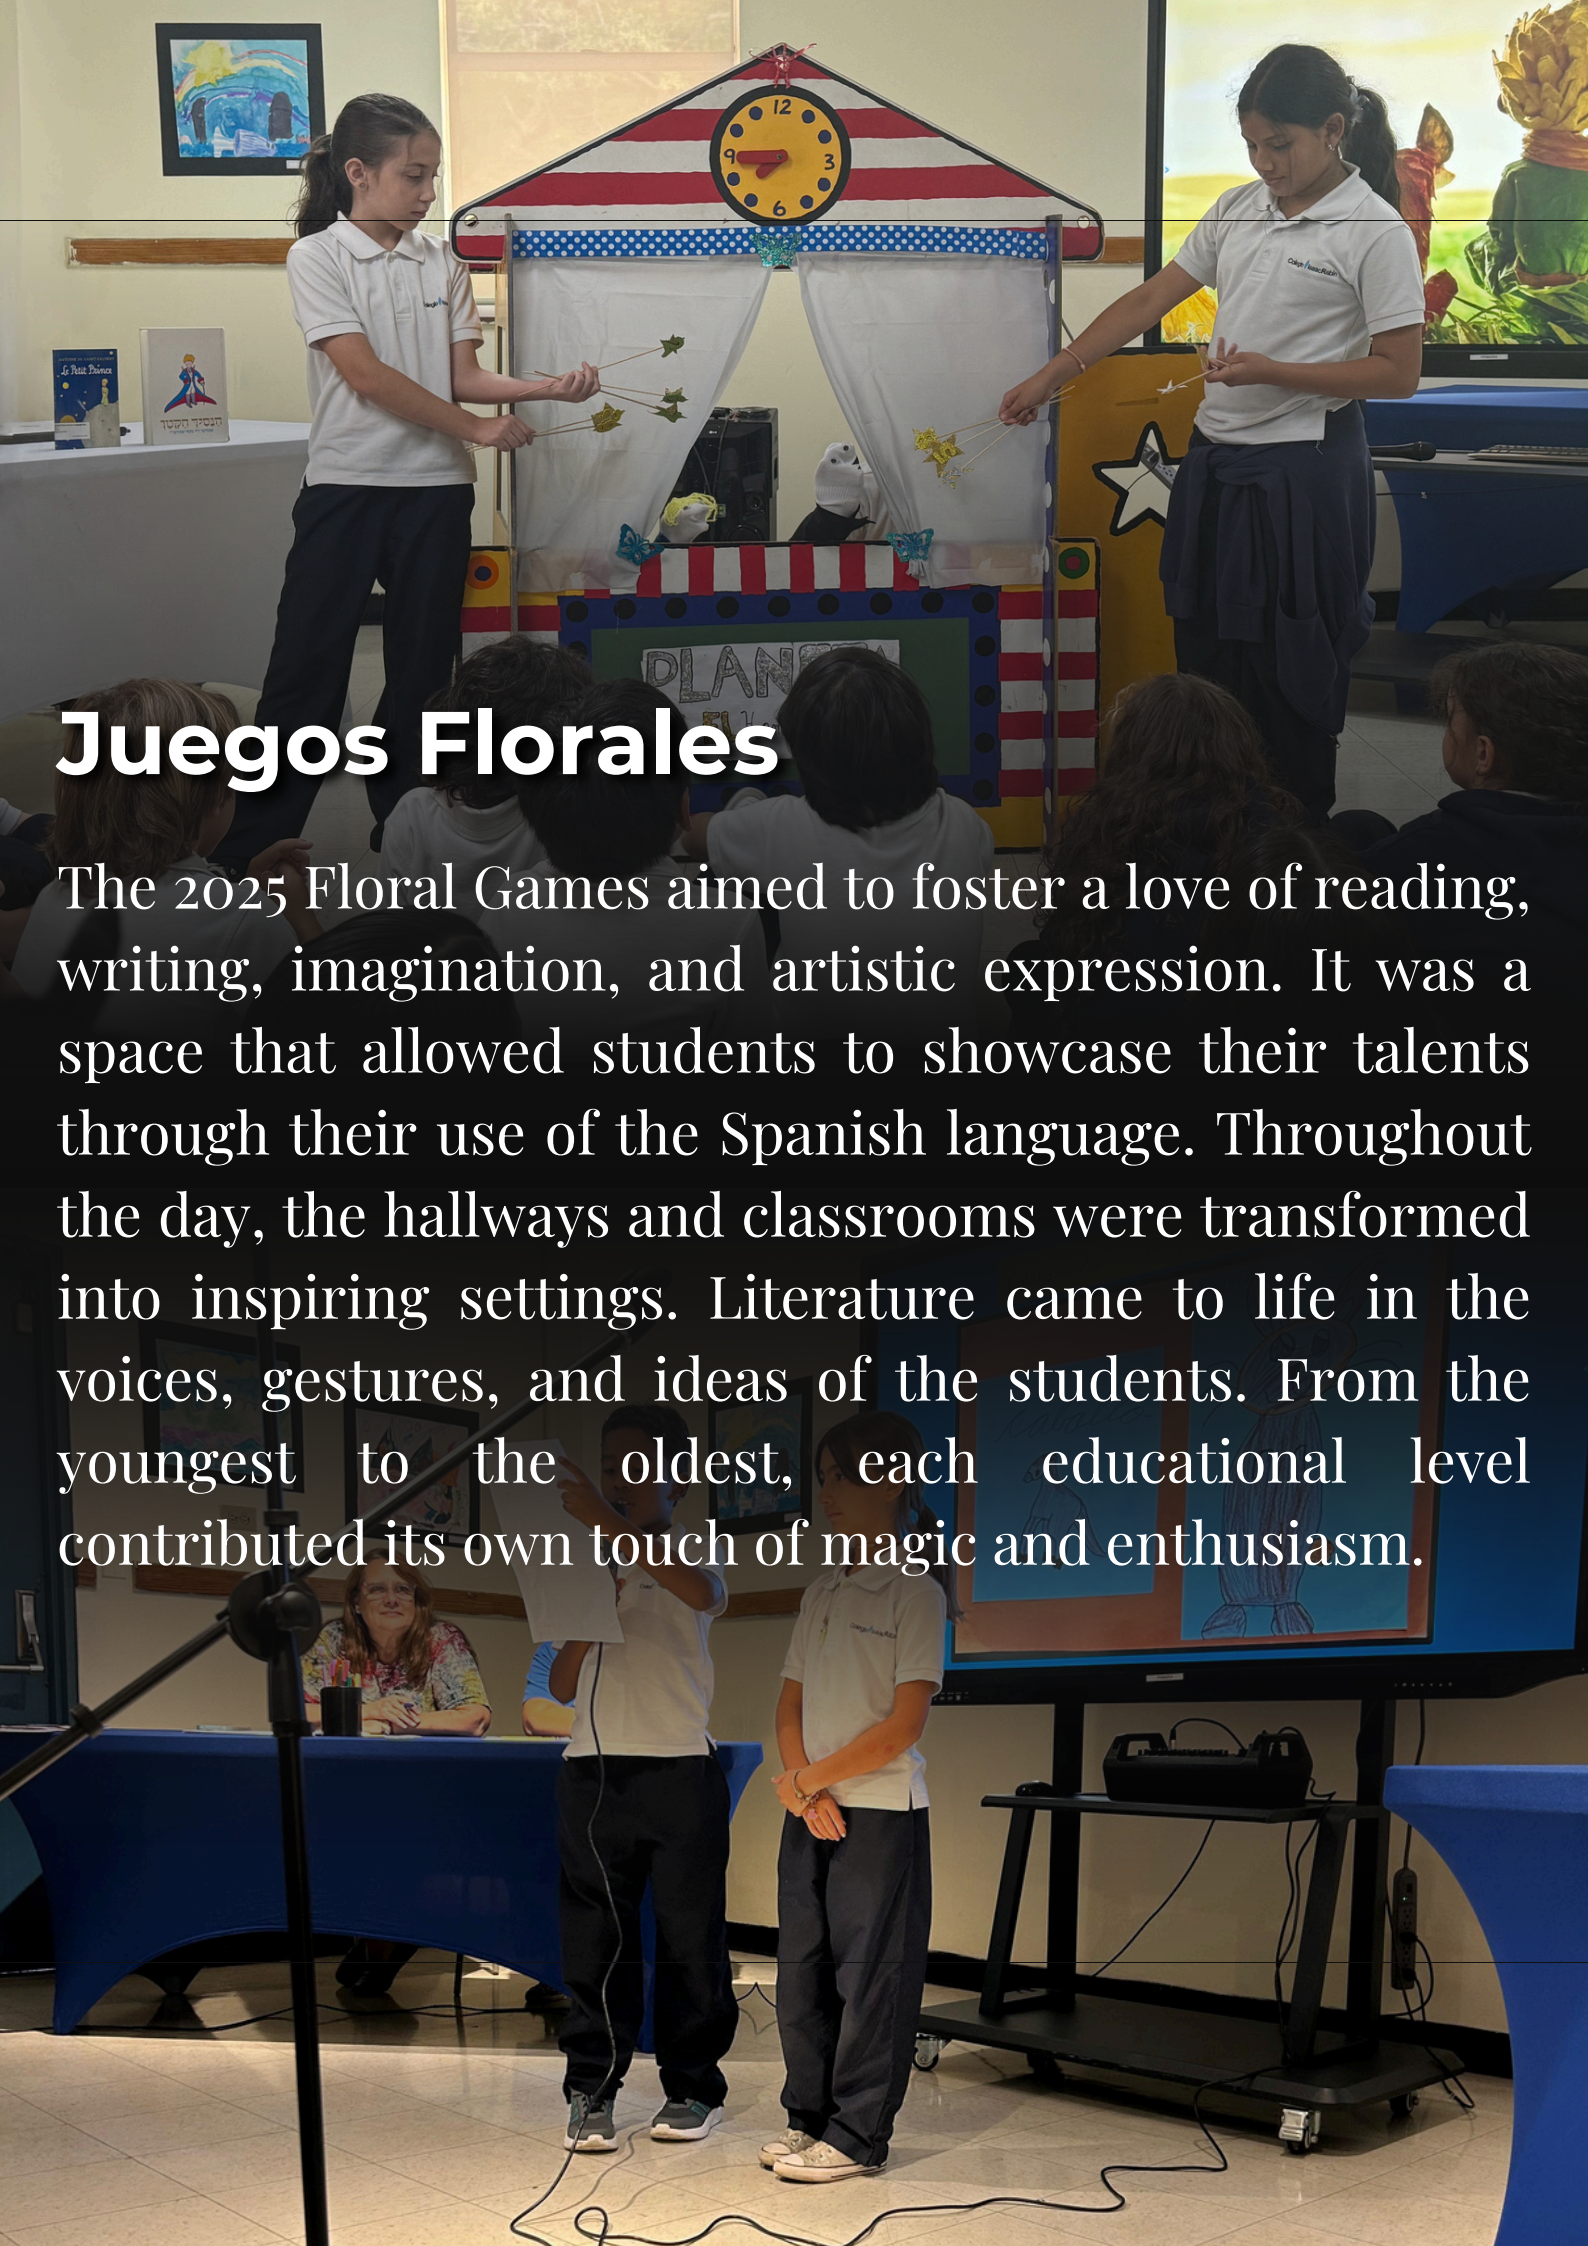

To celebrate Rosh Hashanah, the Jewish New Year, which took place on September 23 and 24. The Hebrew Department organized a special morning of fun and educational activities, held on September 20 at 10 a.m. The activities were led by the 12th-grade students, who brought energy and enthusiasm to the event.

Day of Roses

Our annual Day of the Roses, organized by the 11th-grade Prom 2026, was held on August 20th. The students offered roses, serenatas, and sweet treats, all in support of their fundraising efforts for the Marcha por la Vida trip.

In the weeks leading up to the event, they set up a stand to sell their items. On the 20th, they went classroom to classroom to personally deliver the gifts, bringing joy and excitement throughout the school.

Juegos Florales

The 2025 Floral Games aimed to foster a love of reading, writing, imagination, and artistic expression. It was a space that allowed students to showcase their talents through their use of the Spanish language. Throughout the day, the hallways and classrooms were transformed into inspiring settings. Literature came to life in the voices, gestures, and ideas of the students. From the youngest to the oldest, each educational level contributed its own touch of magic and enthusiasm.
